

Hi, I'm Rebecca. I am a mother to 3 lovely children and have breastfed all 3 of them. Each came with their own complications such as cracked nipples, mastitis, mild tongue ties and more.

Without the support from family, friends and the amazing ladies at the Helensville Birth Centre, my journeys would of been a lot harder.

I have become a peer supporter so that I can help any other Mums out there who need the support I was so lucky to receive :)

I am happy for mums to contact me on my mobile 021682695

or email rebecca.wilkinson@gmail.com
