

Hi, my name is Tulsi and I have two beautiful children who are now 11 and 9.

I loved breastfeeding both of them but I did have many challenges with getting feeding established.

I'm keen to help support mums on their breastfeeding journey, I know how hard it can be and how important having support is when you become a mother.

I'm passionate about womens health and parenting and am currently studying to be a midwife. I would love to help in any way, feel free to get in touch.
